

MULTI-ROLE PATROL CRAFT

ARES 85 HECTOR

Length Overall	27.10 m
Beam	6.80 m
Hull Draught	1.35 m
Max. Speed	25+ Knots
Main Propulsion System	2 x Diesel Engines & Fixed Pitch Propellers
Construction Material	Marine Grade Aluminum
Classification	Turkish Lloyd or IACS

ARES 85 HECTOR has been developed with outstanding speed and seakeeping characteristics conformant to tough environmental conditions, contrary to the conventional vessels in the market. It has been designed for customs and port security missions, coastal waters law enforcement duties, anti-smuggling operations, anti-terrorist protection of coastal installations and critical infrastructure, surveillance, interception, border patrol and anti-human trafficking. The craft is equipped with an auto-stabilized remote-controlled naval weapon system to provide versatile firepower that can be adapted to a wide variety of potential scenarios. The vessel has a suite of naval communications equipment, electro-optic (E/O) sensors and X-Band Naval Radar.
