SCREEN 72 from the pen of international renown award-winning Super Yacht Designer and Naval Architect Frank Neubelt, has been designed super yacht customized at a deliberately size especially designed for finest “family and friends” leisure cruising and ocean explorations. The outstanding 72 m world cruiser is one of the most voluminous super yachts in her size offering 700 sqm living spaces for her owner and his family or guests at 1550 GRT. The spacious private owners deck offers a huge master-stateroom arrangement including a private front- and aft terrace. Guest areas of four twin cabins are at the lower deck plus two VIPs at the guest upper deck with their own terraces and lounge salons including an office study and floor-open windows. The unusual spacious 8 m pool and beach club of 110 sqm comes and includes an integrated cinema plus well-defined spaces at the bow with garages for big tenders and toys.
